PROGRAM**

**Become A Member of HB's
Sustainable Business Community!**

ABOUT THE PROGRAM

The Huntington Beach Sustainable Business Certification Program hopes to promote and achieve a healthier and cleaner environment by helping businesses integrate environmental responsibility into their operations in a manner that is sustainable as well as profitable. Sustainable business practices promote not only healthy environments, but also healthy communities which are the lifeblood of successful businesses.

PARTIALLY FUNDED BY:

THE BENEFITS OF PARTICIPATING

Environmental regulations in California are changing, be one step ahead of new laws while cutting costs in water, energy, waste, and pollution reduction and taking advantage of various benefits such as:

- Incentives and rebates to cut cost
- Attracting environmentally-conscious customers
- Providing a safer environment to improve employee health and morale
- FREE technical assistance
- FREE Sustainable Business marketing through the California Green Business Network as well as city-wide recognition

WEBSITES:
